

## **Interviews Slots Now Being Excepted**

### **The Gadget Professor Show “Live @ CES 2017”**

Don Baine and his “Live @ CES 2017” interview show will be back at CES 2017 for the sixth year in a row. **NOW** is the time to reserve your spot for a live 15-minute interview with Don. The Interviews will take place at the Broadcast booth located in the North Broadcast Tower.

These interviews are offered **free of charge** on a first come basis. **SPACE IS EXTREMELY LIMITED.**

*This is a fantastic opportunity to have your company's new products featured in an exclusive one on one interview at CES 2017 and receive international exposure.* The interviews will be video recorded and broadcasted to both the Tech Podcast Network and The Gadget Professor Show viewers. These interviews can also be used for public relations content and posted to our powerful social media network for increased client/product exposure on the Internet.

The Tech Podcast Network has covered CES for many years. We have produced 40 hours of live content, reaching more than 500,000 consumers. Our post-show interviews rack up over 30 million consumer views yearly, and last year resulted in more than \$10 million in product purchases from our loyal audience. The Gadget Professor Show is viewed in over 172 countries around the world.

**Public Relations and Ad Agencies are welcome!**
